Land-Away Challenge 2019

June is upon us and so marks the beginning of the 2019 **JuFly** land-away challenge. Celebrating 87 years of Coventry Aeroplane Club we are challenging our membership to land-away at 87 different locations throughout June and July – raising money for Aerobility as we go. Everyone can take part, and students are encouraged to arrange land-away lessons with their instructors and hitch rides with other members as they venture around the country. To join in simply:

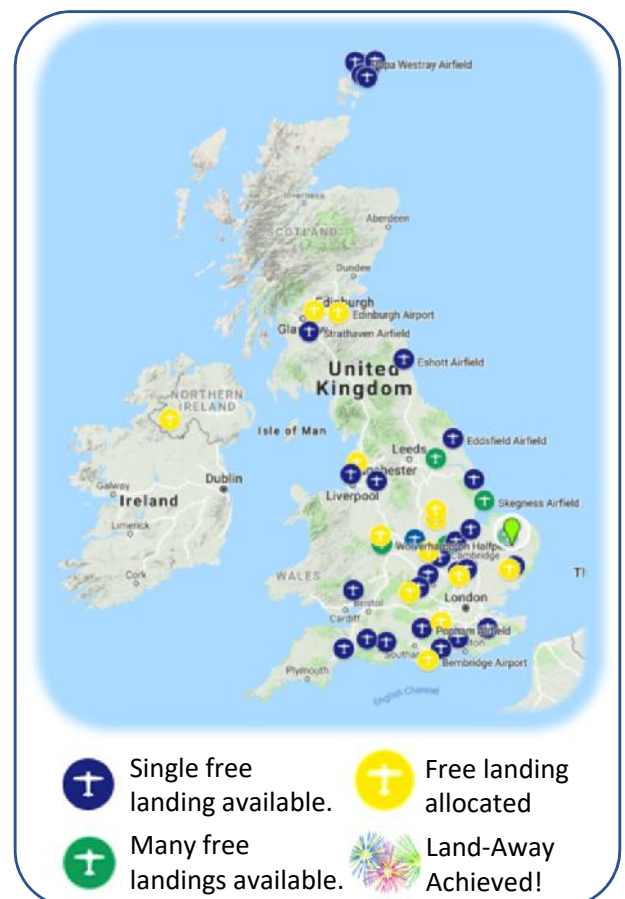

- 1) Contact the ops desk and nominate the location(s) you're planning to land at. It can be anywhere, from a little-known local farm-strip you've never visited before to a well-trodden, international favourite like Le Touquet.
- 2) Grab some friends, go flying and land-away (preferably with a bit of planning beforehand and make sure you've PPR'd your destination!)
- 3) Post a photo for our social media and club **JuFly** wall with the hashtags #CovAeroClub #JuFly; there will be awards for the best photos so be creative!
- 4) Have a great day out.
- 5) Fly back to Coventry and share your adventures with some friends over a coffee in our newly-refurbished clubhouse.

Awards will be made for most locations visited, furthest flown and anything else we think is fun or noteworthy (but stay safe and legal!). Good luck to Anthony and Stefan who've taken the challenge to heart and will soon be departing in G-OGEM for Tangier! You can follow their progress on <https://twitter.com/JuFlySouth> and donate at <https://www.justgiving.com/juflly-flying-south>

We've had tremendous support from airfields all over the country who've donated free landings for **JuFly** flights. There are literally dozens of locations available to choose from. Of course it's all about raising money for Aerobility, so we'd ask you make a donation in lieu of your landing fees. This doesn't have to be the equivalent of the landing fee, £10 is fine, or whatever you can afford (if you've nominated Edinburgh, you can breath a sigh of relief!) Information on all the airfields can be found at <http://tinyurl.com/cacsummerchallengemap2019> where you can also view the progress of everywhere we've been.

Landing fees back at Coventry for all home-aircraft returning from a **JuFly** land-away leg will be paid by the club; simply submit your landing-fee invoice to treasurer@covaero.com including details of the nominated **JuFly** airfields you visited on your trip for a refund.

The club will also be donating 5% of the turnover from COVA and COVC throughout **JuFly** to Aerobility; so simply by going flying in a club airplare you're supporting a great cause!

Join the conversation

JuFly is all about meeting up with new and old friends, getting involved and going flying, so if you've not already done so it's a great time to connect with us on our social media accounts to keep in touch with what's going on.

WhatsApp

Covaero chat. The easiest (and most active) place to contact other members, follow progress of planned events or just have a natter.

@CovAeroClub

We're also looking for some help to organise our open days, where we have a lot planned. If you can help in any way for both, all or any part of the day please email operations@covaero.com.

We will need:

- Airside manager and chaperones
- 'Super Circuit' pre-flight briefers
- Parking marshalls
- Café and BBQ catering helpers
- Operations assistants
- Photographers and Social Media Coordinators

...and of course club members to come along, join in and tell all our visitors just how amazing flying from CovAero is!

JUFLY **SUMMER CHALLENGE**
2019

Join us for an Open Day!
29 June & 27 July
Coventry Aeroplane Club
Coventry Airfield

Only £10 for a flight in a 747 Simulator
courtesy of Flight Simulator Midlands
